DESCRIPTION

The Old Courts is a detached family home of brick-built elevations under a tiled roof. Extending to just under 2,500 sq.ft, well-proportioned rooms give excellent flow of accommodation with the inviting and spacious entrance hall setting the tone. The house enjoys an elegant feel, tastefully decorated throughout which enhances the natural light.

The main sitting room is the heart of the home running the entire depth of the house and being open plan to the dining area makes it ideal for entertaining or family meals. A second reception space is at the front of the property, and it is utilised as a snug room. It could alternatively be used as a playroom.

To the rear of the property is the kitchen/breakfast room which is fitted with a wide range of wall and base units and is large enough to sit a dining table. The kitchen enjoys views over the rear garden and double doors open out to the patio area. There is an adjoining utility room with dog door and side access, perfect for muddy paws and boots.

The conservatory, accessed from the main reception room, provides an additional living space to enjoy in the both the warm and cold months. The ground floor accommodation is completed by the downstairs cloakroom.

The staircase leads up to a generous landing on the first floor. The principal bedroom is located at the south-western end of the house and benefits from a dressing area and a good-sized ensuite bathroom. There are four further bedrooms, two of which are good sized doubles and have their own built-in wardrobes. The fourth bedroom is a large single with built in wardrobes and the fifth bedroom is currently used as a home office space but could easily be used as a single bedroom. These bedrooms are served by the well-appointed family bathroom.

OUTSIDE

The house is approached via Back Lane with driveway parking for several vehicles. A detached double garage with an electric door provides further parking or ample storage space.

A key feature of this property is the beautifully maintained and well stocked garden, which in the past having been a tennis court for Marlborough College, is perfectly level, making it ideal for children and pets alike to run around and enjoy.
